Archie Ledesma

Full-Stack Developer | Software Engineer
Silay City, Negros Occ **| 09196104199 |** arcma@yahoo.com

Summary

Hi i'm Archie. I am a Professional Full-Stack Web Developer with strong expertise in both frontend and backend solutions. I create custom high-performance websites that are visually engaging, fully responsive, secure, and optimized for search engines.

I focus on building websites that not only look great but also deliver speed, functionality, and measurable business results. With a strong track record of delivering high-quality software solutions that drive business growth building RESTful APIs, and optimizing application performance in high-traffic environments.
